

Professional Certification Opportunities

April, 2008

Certification	Exam(s)	UM Courses Embedding Objectives of Certification Exam
<i>Cisco</i> CCNA	640-802CCNA 640-822CCENT	CRT151T Networking Basics CRT152T Routers and Routing Basics CRT251T Switching Basics CRT252T WAN Technologies CRT289T Professional Certification: CCNA
<i>CompTIA</i> A+	JTO-601 JTO-602/603/604	CRT112T Operating System Fundamentals CRT151T Networking Basics CRT210T Advanced Operating Systems CRT285T PC Hardware Support CRT289T Professional Certification: A+
<i>CompTIA</i> Network+	N10-003	CRT151T Networking Basics CRT152T Routers and Routing Basics CRT251T Switching Basics CRT289T Professional Certification: Net+
<i>CompTIA</i> Security+	SY0-101	CRT112T Operating System Fundamentals CRT151T Networking Basics CRT210T Advanced Operating Systems CRT222T Enterprise Security
<i>Microsoft MCP</i> Windows XP Professional	72-270	CRT112T Operating System Fundamentals CRT151T Networking Basics CRT210T Advanced Operating Systems
<i>Microsoft MCP</i> Windows 2003 Server Environment	72-290	CRT112T Operating System Fundamentals CRT151T Networking Basics CRT210T Advanced Operating Systems CRT215T Server Technologies
<i>Microsoft MCP</i> Windows 2003 Network Infrastructure	72-291	CRT112T Operating System Fundamentals CRT151T Networking Basics CRT210T Advanced Operating Systems CRT215T Server Technologies CRT216T Network Infrastructure
<i>Microsoft MCSA</i> MCSA in 2003 Windows Server	72-270 72-290 72-291 SY0-101	CRT112T Operating System Fundamentals CRT151T Networking Basics CRT210T Advanced Operating Systems CRT215T Server Technologies CRT216T Network Infrastructure CRT222T Enterprise Security
